Company profile

VDI Auctions is active on the worldwide auction market. We sell new and used tractors, construction equipment, classic and youngtimers tractors.

Over the past years we have established excellent business contacts, building a worldwide network of buyers and sellers of a whole range of goods. The advantages of selling your goods through auction include:

- ✓ Easy and quick selling!
- ✓ Fair market prices!
- ✓ Worldwide bidders and buyers!
- ✓ Less work for you!
- ✓ Fleet replacement!
- ✓ Quick refunds!

VDI Auctions takes care of container loading and unloading for overseas buyers and sellers.

We can also help buyers and sellers with the worldwide transportation on trucks, by Ro-Ro, or by mail. We deliver to any port. We also strip down for container loading, including shipping and customs or other documents.

We look to supplying both new and existing customers with equipment to suit either fleet replacement or fleet expansion requirements, or with just a single item.

VDI Auctions tries to be flexible to facilitate the ever-changing demands of today's agricultural, construction and forest industries.

WE LOOK FORWARD TO DOING BUSINESS WITH YOU IN THE FUTURE.

AUCTIONS

VDI Auctions conducts auctions with inspection days, to allow you to get a good impression of the goods.

A large stock of new and used agricultural, classic and youngtimers tractors ensures a wide choice and fast delivery times. Whether it's one, two or a complete fleet of machinery that you need.

VDI Auctions will always be able to meet your requirements.

VENTES AUX ENCHÈRES

Des expositions des matériels sont organisées préalablement aux ventes aux enchères de VDI Auctions, afin que nos clients puissent faire une estimation et juger entre autres de la qualité des engins proposés.

Notre riche stock d'engins neufs et d'occasion pour l'agriculture, la sylviculture et la construction garantit un choix varié et des délais de livraison des plus brefs. Que vous souhaitiez un ou deux engins ou un parc complet de véhicules, VDI Auctions peut dans n'importe quel cas vous en garantir la fourniture.

PROFESSIONAL CLEANING

VDI Auctions offers overseas buyers an extra service by cleaning the items bought from VDI Auctions so that they meet export requirements.

NETTOYAGE PROFESSIONNEL

VDI Auctions propose à ses acheteurs étrangers un service supplémentaire qui leur garantit que les engins acquis lors de ses ventes soient nettoyés, afin de satisfaire aux réglementations et exigences pour l'exportation.

SHIPPING

With over 40 years of experience, VDI auctions has built a large network of transport companies, which offer transportation by road, sea container (20 or 40 ft), Ro-Ro, plane or mail.

VDI auctions will always be able to offer a solution.

TRANSPORT

VDI Auctions dispose d'une expérience de près d'un demi-siècle dans son secteur d'activités et d'un réseau dense de transporteurs, qui assurent le transport routier et maritime (conteneurs de 20 ou 40 pieds), par navires rouliers ou par voies aérienne ou postale.

VDI Auctions: la solution idéale, toujours à votre disposition.
